Stewardship Response 2009 for Youth (Age 18 and under)

For all the blessings which I receive from God, for the wonderful home which St. Stephen United Methodist Church provides, for the many fine missions – from local to world-wide – which St. Stephen fosters, I want to respond. My response with my prayers, time, talent, witness, and financial resources is in keeping with my growth and development as a disciple of Jesus Christ.

I offer my personal response of my time and talents to **Reach Up and Reach Out in 2009** by:

- completing a MAGI workshop (high school youth)
- praying regularly
- participating in worship
- participating in a small group
- inviting and welcoming others into our faith community
- serving in missions
- witnessing to others about God's goodness

I also offer my personal response of my Financial Resources and have indicated my response in the box below.
